## 1. Open an Account

Open an account by clicking on the Register link on our website and click on the open an accounts button. As soon as the page comes up, enter your personal information, with your email address and chosen password, and that is it. This shouldn't take more than a few minutes.

Once you've done that, you'll receive a confirmation from us, and you're done. You're now an official member of our system.

## 2. Account Funding

You will need to have make your deposit, and you can do this from the deposit section of your personal account. Choose from any of the investment plans that you like and make a deposit. You're allowed to make as many deposits as you see fit. However, every deposit is treated as a separate investment.

## 3. Watch your investment grow

As soon as you've made your deposits, there is nothing else to do, except watch your earnings accrue according to the earning schedule of the plan that you have made deposit into. This can be fun, because it means you can be anywhere you want to be in the world, and your interest will still be added to your account daily, without you doing anything.

## 4. Initiate Withdrawals

It doesn't take more than a few seconds to initiate your withdrawals and have your earnings paid to you. All your withdrawals are processed within few minutes, and your withdrawal request will be processed to your provided wallet address..

## 5. Refer Your Friends

You don't need an active deposit to take advantage of our affiliate offer. As long as you've signed up as a member, you have only to obtain your personal affiliate link from your personal account and share it with your friends. You get 10% first level commission for different plans as soon as they join and make their first deposit.

## Security

Our system is developed with the most sophisticated technology you can find anywhere. It is highly secured and safe.

## Speed

The use of small data language makes our platform one of the fastest if not the fastest in processing data and transactions.

## Two Level Security

For a safer experience on our platform, we have included a second level identification for our users. Please activate yours.

## Diversified Means

Our risk management approach is investing in every sector of humanity in order to give 100% guarantee to our investors.
